

E Pule Kakou in Your Workplace

November 25

- Set the time and place of your prayer meeting (remember, not during work time).
- Before November 25, ask your boss what are some of the needs of the company that you can pray for.
- Invite others to join you to E Pule Kakou.
- A suggested invitation:

We are living in critical times. Businesses are being forced to close. Our State government is broke. Thousands are being laid off or furloughed. Now, more than ever, we need to seek the Lord's help in restoring our Hawai'i. During this Thanksgiving season, please take a few minutes to thank God and to pray for our Hawai'i. We will be meeting on Wednesday, November 25th at _____. We will truly become the "Aloha State." E Pule Kakou.

Welcome and opening prayer

Thank you for coming to join together in prayer today. In this season of Thanksgiving, we want to begin with a prayer of thanks.

Dear Heavenly Father, Thank you for this day that we can stop to give you thanks for all of your blessings in our lives. Thank you for our company. Thank you for giving us this job. Thank you for our co workers. Please bless each one of them. Thank you for our boss(es). Bless them too. Thank you for giving us the patience and strength we need to do our jobs.

Prayer for the needs of our company

I asked our boss(es) what we could pray for today and this is what they said:

- 1.
- 2.
- 3.

Let's pray for _____.

(You can have someone lead for each one, or have a time of silent prayer as you name the need.)

Close in prayer with The Lord's Prayer all together (there is a file to print this on the CD)
