

How to Pule (Pray) With Your Family

Sunday, May 19-23, 2010

- Gather the family together before your morning or evening meal, or sometime during the day.
- Say: “We want to pause and thank the Lord for all the blessings that we have. E Pule Kākou (let us pray together).”
- You can pray your own prayer or pray the “Family Prayer” below:

Dear Heavenly Father,

We gather together as a family to thank you for the many ways You bless us every day.

Thank you, Lord, for our family and the families of Hawaii. We thank you for our friends. We bless each one of them now. We ask you, Lord, to continue to prosper them in every way. Father, I ask that you bless each member of our family. (Name them in your prayer).

And then, Father, thank You for our health, our jobs, our homes, and the food that we have. We are truly blessed!

As we close this time of giving thanks, Father, we lift up the State of Hawaii before You. We ask You, Lord, to release the blessings of heaven upon our economy, the Department of Education and upon our government officials. We ask You to create new jobs for the unemployed, to heal broken families, and to deliver us from evil.

In Jesus’ Name, Amen.
